6 PAUL PATRICK JOLIVETTE, *et al.*,
7 Petitioner/Claimant,

Case No. 2:13-cv-02322 -APG-NJK

ORDER

8 v.

9 PEOPLE OF THE STATE OF
10 CALIFORNIA, *et al.*,

11 Defendants.

12 Plaintiff commenced this action as Case No. 2:13-ms-00091 by filing, among
13 other things, an Affidavit in Support of Registration of Foreign Judgment. Subsequently,
14 this "miscellaneous" file converted into an active civil litigation matter (bearing Case No.
15 2:13-cv-02322). However, the alleged Foreign Judgment upon which this case was
16 originally premised is from an unknown court and jurisdiction which the undersigned
17 does not recognize and which likely does not exist. Registration of that alleged
18 Judgment is improper under 28 U.S.C. § 1963. Accordingly, the Request for
19 Registration of the Foreign Judgment (Dkt. #1) is declined.

20 **IT IS ORDERED** that the Clerk's office refund the fees paid by Plaintiff in
21 connection herewith.

22 **IT IS FURTHER ORDERED** that the Clerk's office close this file.

23 Dated: April 25, 2014.
